Spring Classes 2019

Adventures in Embroidery with PREMIER+™ 2

Janie Lantz is coming to **West Side Sewing** on **Saturday, April 13, 2019!**

Join us for a fantastic, creative day as Janie shares unique embroidery designing techniques in PREMIER+™ 2 embroidery software.

She will show you tips for altering designs in your existing collection, how to create your own distinctive and individualized embroideries, and share tips and techniques to streamline and enhance the design processes.

Janie is also bringing a trunk show with many innovative and delightfully designed project ideas, to get you inspired to go home and create something unique and fresh.

If you are new to embroidery, or own older embroidery software, join us to see the many innovative and exciting techniques and tools available in Premier+2 software to enhance and streamline the design process.

Janie is an endorsed, exclusive PREMIER+™ 2 Software Specialist! She loves the creativity that software brings to the embroidery world. She

has not only been an educator for many years, but also designs, embroiders and teaches simply for the love of sewing.

Put the day on your calendar now, and call or stop in to reserve your seat, as this extraordinary event will fill quickly!
